<u>Low Voltage</u>	<u>Description</u>	<u>Link</u>
NDPRO	Slim, linear, spot free, quick connect system, 90+ CRI, multiple dim options, curved section for rounded applications, in-line dim option	http://www.feeluxlighting.com/flx-stix-ndpro-series
HDPro	Higher Output Version of NDPro, same features and benefits.	http://www.feeluxlighting.com/flx-stix-hdpro-series-1
NDV/HDV	Older version of NDPro and HDPro - requires secondary lenses for Spot Free illumination.	http://www.feeluxlighting.com/flx-stix-ndv-series
MonoRail Pro	Micro Linear & Spot Quick Connect Rail System Multiple extrusions and mounting options.	http://www.feeluxlighting.com/monorail-pro-1
MonoRail Pro Spots	Small and smaller Spot heads for the MonoRail Pro system - loads of punch, choice of beam spreads!	http://www.feeluxlighting.com/monorail-spot-ho http://www.feeluxlighting.com/monorail-spot http://www.feeluxlighting.com/monorail-2
MonoRail NMP/Monorail 2	Surface mount or recessed track system, low voltage system. Larger than MonoRail Pro	http://www.feeluxlighting.com/flt-track-system-1
FLT Track System	Surface, Pendant or Recessed, black or white, low voltage system.	http://www.feeluxlighting.com/flt-track-system-spot
FLT Track Spot Heads	wattages range from 1.7 to 19W, beam spreads 15, 24 and 36 degree,	http://www.feeluxlighting.com/flt-track-system-stix
FLT Track Linear	Point Source & Spot Free, Point Source rotates and angles, 24 and 36 Degree beam spread; Spot Free rotates and 130 deg. beam spread	http://www.feeluxlighting.com/flt-track-system-pendant
FLT Pendant Fixtures	8 and 12", 15, 24 and 36 degree beam spreads, small, elegant	http://www.feeluxlighting.com/flx-spot-dvs
DVS Spot - Puck Light	Fixed Mount - surface or recessed.Linkable. Fixed color -	http://www.feeluxlighting.com/flx-spot-dvs-swivel
DVS Spot - Puck Light	Adjustable Mount - recessed only. Linkable	http://www.feeluxlighting.com/dvs-spot-swivel-dim-to-warmtunable-white
DVS Spt Swivel - DTM/Tune	Dim to Warm/Tunable, Adjustable Mount - 1800K-3000K Interface required m 0-10V or zigbee	http://www.feeluxlighting.com/flx-pole-dvp
DVP Point	2" spot head, linkable with 90 degree bend and 360 rotation, 28, 40 and 50 degree beam spread, recess into millwork with clips, round or square	http://www.feeluxlighting.com/flx-pole-dvp
DVP Pole	Same as above but on 11" Pole, Round only, Wall, Ceiling or Surface Mount	
FLXible Neon		
FLXible Neon 1	Interior, exterior, horizontal bend, field cuttable product.	http://www.feeluxlighting.com/flxible-neon-1
FLXible Neon 2	Interior, exterior, vertical bend, field cuttable product.	http://www.feeluxlighting.com/flxible-neon-2
FLXible Neon 1 Dual	Interior, exterior, horizontal bend, field cuttable - DIM TO WARM or Tunable WHITE	http://www.feeluxlighting.com/flxible-neon-1-dual
FLXible Neon 2 Dual	Interior, exterior, vertical bend, field cuttable - DIM TO WARM or Tunable WHITE	http://www.feeluxlighting.com/flxible-neon-2-dual
FLXible Tape Pro (FTP)	Vertical Bend, Interior, exterior, field cuttable, high output - very well priced.	http://www.feeluxlighting.com/ftp---feelux-tape-pro
Neon 3D - Spot Free	Flexible with horizontal and vertical bend, spot free, interior, exterior, field cuttable.	http://www.feeluxlighting.com/flx-neon-3d
Neon Lens 3D - Optics	Flexible with horizontal and vertical bend, 22, 30, 40 and 10 X 30 optics, interior, exterior, field cuttable.	http://www.feeluxlighting.com/flx-neon-lens-3d
Neon 360	Flexible tubular, 360 light with many twists and turns, variety of mounting options. Interior/exterior, field cuttable.	http://www.feeluxlighting.com/flx-neon-360
FLX Neon 1 Narrow FNN1	Micro-sized interior/exterior side bend, field cut FLX Neon	http://www.feeluxlighting.com/flx-neon-narrow-1---fnn1
FLX Neon 2 Narrow FNN2	Micro-sized interior/exterior top bend, field cut FLX Neon	http://www.feeluxlighting.com/flx-neon-narrow-2-fnn2
Micro		
Micro Display	Miniature point source offered in Pole, Point and Spot - multiple beam spreads and finishes. Perfect for Retail, Museum, Display and more.	http://www.feeluxlighting.com/flx-micro-pole-spot-point
48V MiniTrack FTM		
FTM - Mini Track System	Mini magnetic/Mechanical 48V Track System - linear point source, linear spot free, track heads, zoom optics	http://www.feeluxlighting.com/ftm---48v-ultra-slim-track-system
Line Voltage		
NDFree	Line voltage version of fabulous NDPro and HDPro. Connect up to 400W (80'), ELV dimming, 120V, 220-240V and 277V options, Curved Sections available for circular and non-square applications	http://www.feeluxlighting.com/flx-stix-ndfree
SSL	SlimLamp Slide - SSL is 120V and non-dim, 400W or 80' per feed, fantastic connection system for maintenance and installation	http://www.feeluxlighting.com/ssl-slimlamp-slid%E2%89%A1
VSSL	Universal Voltage - 100-277V, 0-10V Dimming, 400W/80' per feed, Slide connection systems for install and maintenance ease.	http://www.feeluxlighting.com/vssl-slimlamp-slid%E2%89%A1-v
TuneLight 2	Slim and sexy undercabinet task light, 120V, Occupancy sensor, rocker switch, 0-10V dim options available.	http://www.feeluxlighting.com/tunelight-2-spot-free
LEDBar	this product has been replaced by NDFree	http://www.feeluxlighting.com/flx-stix-ndfree
EcoSlim Lamp	this product has been replaced by SSL - Slim Lamp Slide	http://www.feeluxlighting.com/ssl-slimlamp-slid%E2%89%A1
